

## REALITY

Mom lost job & dad works two full-time jobs

Anxiety affects appetite and sleep

Struggles with reading due to undiagnosed dyslexia

## IMAGINE

Tutor teaches personalized life strategies

Learns self-awareness strategies to manage anxiety

Dyslexia is diagnosed with resources

## THE NEED

Students from low-income families are more likely to score lower on standardized tests

Students who are Hispanic, Black, or have disabilities are more likely to drop out of school

High school dropouts are more likely to be unemployed

## OUR SOLUTION

Our students receive high-quality tutoring in academics, college readiness, and soft skills to help them excel in school and beyond!

Just \$1,000 provides one student with learning support that also benefits their teachers, families, and communities.

YOU CAN HELP!
